(2)2X2 (1)2X4 ( ) 2X8 ( ) Glue on Plaque ( ) 2X4 Repour

**12/31** Purchased a bottom toolbox and a set of metric and SAE ratchet wrenches for the shop.

**1/3** A lot of cleaning and organizing of the shop for the next week or two while we are getting much needed rain.

**1/6** Started trimming the mulberry trees.

**1/7** On Saturday went to Ace Hardware and picked up a new LED yard light for the front of the office at 20% off.

**1/9** Finished trimming mulberry trees. Staci is out sick.

**1/10** Sold one grave to Rebecca Snow for Charles Walker and started a contract for Una Walker.

**1/11** Theron came back to work after being released from his doctor.

**1/12** Removed low hanging and dead branches from tree in front of the office. Prepared grave for Fri. funeral. Installed new LED yard light.

**1/14** On Saturday storm blew over ash tree in section 6.

**1/17** After digging two graves at the Grave Cemetery and one at IOOF started clean-up on Ash tree.

**1/18** Finished clean-up of Ash tree and stump. Purchased three new safety cones to keep traffic away for missing tree area.

## **Managers' Report January 2023**

**1/21** Theron and Chris performed a Saturday burial for James Testerman.

**1/23** Received Medallions for the flag poles. Prepared for Drum burial. Cremation burial Leah Moore.

**1/24** Held safety meeting – topic building demolition. Met with Dottie to discuss medallion placement for the Veteran Monument. Full Burial: Maxine Drum.

**1/26** A crew of three went to the Graves Cemetery and watched the termite infested building fall to the ground. Manager went to Trustee Donnelley and borrowed his dump trailer and two days and two loads later the downed building was hauled to the Glenn County Transfer Station. Thank you, Kevin Donnelley, for the use of your trailer. Called Lely's they will schedule us in for the well repair.

**1/31** poured 1 2X4 for Hefty and 2 2X2 for the flagpole medallion project started.
